

APT Workshop

The team prepare the cardboard, and an orthotist cuts out a chair, based on a child's measurements.

Glue and paper are applied to the chair.

Eudias comes for a chair fitting, and Vincent comes too.

A final coat of paint and the chair goes home. Nancy at home with her chair...

These chairs have proved life changing for both the children and their parents.

The costs to keep this workshop operating are :-

Allowance to Orthotist for weekly visit	6000 ksh per month
Materials	5000 ksh per month
Workshop refreshment	2000 ksh per month
